## ***Project # 1 – Assessment of Current and Future Facilities, Feasibility and Concept Designs for a new Entertainment Centre.***

### **Coffs Harbour City Council**

#### Project Brief:

Pegasus were engaged to review the existing facilities within the Coffs Harbour region to ascertain how arts and entertainment needs were being met and identify any shortfalls. An initial plan and concept design for a new Entertainment Centre was also established, including site preferences, size and facilities.

#### Services Provided:

- Community Consultation – Pegasus conducted both workshop consultations and surveys including the arts and cultural communities in Coffs Harbour as well as the general public.
- Industry Consultation – Pegasus conducted site inspections of all major arts, entertainment and cultural facilities within the region, including all tourism organisations.
- Concepts & Designs – Pegasus proposed sites, sizes and specifications for a new Entertainment Centre, including concept designs.
