COUNCIL

Pegasus

***Project # 2 – Design and Project Management  
Refurbishment of Jetty Memorial Theatre***

**Coffs Harbour City Council**

Project Brief:

Pegasus provided Council with a report outlining the upgrades and refurbishments required to bring it's heritage theatre *The Jetty Memorial Theatre* into line with current industry standards and subsequently project managed the refurbishments.

Services Provided:

- Consultation with current users – To establish how the theatre was currently being used and outlining any requirements not being met.
- Design Brief – Pegasus developed a facilities brief detailing the front of house, back of house, technical and aesthetic upgrades and refurbishments required.
- Project Management – management of all contractors and all phases of the refurbishment process.
